

Privacy Policy of www.tukopro.it

To receive information about the personal data collected, the purpose for which such data is collected and with whom it is shared, you can contact the Data Controller using the following email.

Data processing controller

Tuko Productions Srl,

privacy@tukopro.it

Type of data collected

This Application (the internet site that can be reached from the Tuko Productions Srl domains) does not collect any Personal Data. The potential use of Cookies – or other tracking instruments – from this Application has the purpose to identify the customers and take note of their relevant preferences solely for the purpose of providing the service requested by them.

Procedure and location of the collected data processing

Data treatment method

No data will be collected.

Location

No data will be collected.

Timing

No data will be collected.

Additional information of the data processing

Legal defence

No data will be collected.

Specific information

Upon the customer's request, in addition to the information included in this Privacy Policy, this Application could supply further and contextual information regarding specific services, or the collection and processing of the Personal Data.

System log and maintenance

For operational and maintenance requirement, this Application and the potential third parties used, could collect system Log, a file which collects the interactions and could also contain Personal Data, such as the IP address of the customer.

Information not included in this policy

Further information regarding the treatment of Personal Data can be requested any time from the Data Controller by using the contact information above.

Your rights

The subjects to whom the Personal Data refers to have the right at any time to obtain confirmation of its existence or not from the Owner of the policy, to know its content and origin, to verify the accuracy or to request the integration, cancellation, updating, rectification, transformation into anonymous form or blocking the personal data processed in violation of the law, as well as to oppose in any case to their processing, for legitimate reasons. The requests need to be addressed to the Data Controller.

Changes to this Privacy Policy

The Controller of the data processing reserves the right to apply changes to the current Privacy Policy at any time by notifying the customers of the changes on this page. You are invited to frequently check this page, referring to the revision date that appears at the bottom. In case of non-acceptance of the changes made to this Privacy Policy, the customer is required to cease using this Application and may request the Data Controller to remove their Personal Data. Unless otherwise specified, the previous Privacy Policy will continue to apply to the Personal Data collected during the time it was in place.

Information about this Privacy Policy

The Controller of the Data processing is responsible for this Privacy Policy.
